

## Welcome

to the launch of “News @ TVPS” on the School Communicator. It is intended to keep you, the parents of our school, informed of the daily happenings at the school. It will include sport and cultural activities, progress reports on the various building projects, current and future, as well as news about our staff and learners.

We hope that you will find it

informative as well as enjoyable. The first “News @TVPS” will focus exclusively on sport! Despite the numerous holiday interruptions this term, our sport season has taken off with a bang. The various teams and their coaches have been training hard and a number of matches have been played in all the disciplines.

At Table View Primary School

sport is considered an important element in the balanced education of the learners. Emphasis is placed on team discipline and team spirit and the joy of taking part in a sport.

We do love for our teams to win, but that is never the only aim. Our learners are taught to always display good sportsmanship irrespective of whether they win or lose.

## Congratulations

Ms A. de Bruyn

Ms A. Rootman

Ms I. de Hart

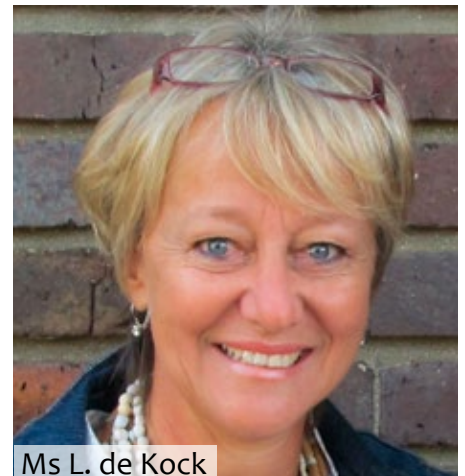

Ms A. de Bruyn and Ms A Rootman were appointed as the coach and manager, respectively, of the u/14 Northern Girls Hockey and Ms I. de Hart and Ms L. de Kock were appointed as the coach and manager of the u/14 Central Girls Hockey of the District Teams.

To fill these positions, as coach is particularly challenging as a cohesive team must be built from players who have never played together. The manage-

rial position entails various and extensive administrative and financial duties.

Ms C. Nagel who is the first lady on our staff to ref a rugby match.

She was the referee of the match between Curro Private School and Melkbos Private School. Ms Nagel received numerous compliments for the excellent and professional manner in which she handled the match.
